EUROCALL Subscription

In order to pay for membership please follow these steps:

1. Choose to renew or join EUROCALL (buttons at bottom of page). This will lead you to a membership form.
2. Complete membership form to subscribe to EUROCALL.

You will then have the choice to pay online or by bank transfer.

- Payment by credit card/PayPal: On completion of the form you will be directed to a confirmation page with a link to the payment page. You will then be able to pay your subscription fee online by credit card or by using your PayPal account.
- Payment by bank transfer: If you wish to pay by bank transfer please provide evidence from your bank or institution confirming the payment has been processed.

It's important that the subscription form is completed as it's often difficult to match Paypal payments to members without basic member information. This information is required to update the EUROCALL database and to ensure that you receive your membership confirmation promptly.

Payment applications are processed manually, by the EUROCALL Secretary, so there will be a slight delay between your payment and confirmation of your membership. Please submit this form once only to avoid duplicating information.

Please note that incorrect information or false declarations will result in the cancellation of your membership without refund.

For further clarification on the above processes please contact the EUROCALL Secretary at secretary@eurocall-languages.org.
